Co-pay Assistance Program Eligibility Requirements & Terms and Conditions

- You must be a citizen or a permanent resident of the US or its territories and reside in the US or its territories where co-pay assistance is not prohibited.
- You must not be enrolled in government health insurance (eg, Medicare, Medicaid, Indian Health Service, Veterans Administration, Department of Defense, or any other federal or state government assistance programs). If you move or switch from commercial insurance to any government-funded insurance, you will no longer be eligible.
- You are being treated as an outpatient by a licensed healthcare provider in the US and have been prescribed VILTEPSO® (viltolarsen) by a licensed healthcare provider.
- You currently have private, commercial health insurance with prescription coverage for VILTEPSO medication, and your insurance does not cover the entire cost of VILTEPSO.
- You are under age 65.
- There is no income requirement.
- The Program covers only the cost of VILTEPSO and not the cost of any infusion services or healthcare provider visits, which are the sole responsibility of the patient.
- You will be automatically re-enrolled annually as long as you continue to meet the eligibility requirements for participation in the Program.
- You are responsible for reporting receipt of co-pay assistance to any insurer, health plan, or other third party who pays for or reimburses any part of the medication or treatment cost using the NS Support Co-pay Assistance Program, as may be required.
- You must not seek reimbursement, in whole or in part, from government health insurance (eg, Medicare, Medicaid, Indian Health Service, Veterans Administration, Department of Defense, or any other federal or state government assistance programs), a Flexible Spending Account (FSA), a Health Savings Account (HSA), or a Health Reimbursement Account (HRA).
- You will not in any way report or count the value of the product provided under this Program as true out-of-pocket (TrOOP) spending under a Medicare Part D prescription drug benefit.
- Claims must be submitted in a timely manner. An EOB from your private, commercial health insurance must be submitted within 365 days of the date of service on the EOB for you to receive a co-pay assistance benefit. No EOB may be submitted more than 90 days after the expiration date of the NS Support Co-pay Assistance Program, and the date of service on the EOB must be prior to the program expiration date. The EOB must reflect your out-of-pocket cost for VILTEPSO and submission of the claim by your physician for the cost of the medication.
- The NS Support Co-pay Assistance Program is not health insurance.
- NS Pharma, Inc. has the right to modify, alter, or cancel the NS Support Co-pay Assistance Program at any time without prior notification.
